TO THE ALUMNI.

The Bibliographer, Stevens, has well said, "If you are troubled with a pride of accuracy, and would have it completely taken out of you, print a catalogue." The Editor of the present Triennial, has spared neither time nor pains to make it worthy of his Alma Mater. He is, however, painfully conscious of its many imperfections. To make a faithful and complete record of the constantly increasing number of the Alumni, including their numerous and ever changing academic relations, degrees, dates, etc., is exceedingly difficult, to say the least, as all who have had experience in matters of this kind know full well. The coöperation of graduates and friends of the University is therefore earnestly solicited, for the improvement of the next edition that may be published. His sincere and most grateful acknowledgements are hereby tendered to all who have assisted him in the past, and especially to THERON METCALF of the class of 1805, who edited the Triennial of 1836, and who has continued his invaluable services to the present time. He would also mention in this connection, the names of WILLIAM TYLER, of the class of 1809; ROYAL PAINE, of the class of 1827; WILLIAM GAMMELL, of the class of 1831; JOHN L. LINCOLN, of the class of 1836; KENDALL BROOKS, of the class of 1841; and ALVA WOODS and SAMUEL L. CALDWELL, of the Board of Fellows. Communications, giving additions and corrections, may be addressed to
